

## “2X2XU – My River” Outdoor Art Exhibition Participation Agreement

As a participant in the “2x2xU - My River” event sponsored by Legion Arts and the New Bohemia Group, I agree to the following terms and conditions:

1. I will purchase an official 2' x 2' plywood board at Legion Arts for \$15.00. Students with a valid Student ID may purchase boards for \$12.00. Payment must be made when you pick up your board. The cost of the board includes a 2x2xU My River T Shirt, which may be picked up at the Opening Reception, Saturday, May 23, 2008, from 3:00 to 5:00 PM.
2. I will be responsible for decorating the board, and I understand that the theme of this year's exhibition is “My River.”
3. I will submit my finished board to CSPS by May 18, 2008. I understand that if I should submit my board after that date, it may not be displayed as part of the exhibition.
4. My board will be designed for outdoor display and I will take appropriate weatherproofing measures. Boards should be coated with some type of water protection on the front, back and edges to ensure they aren't damaged by water.
5. The 2x2xU Committee reserves the right to refuse to display any board at their sole discretion. If my board is not displayed, I will not be entitled to a refund. Boards containing overtly pornographic or commercial messages will not be displayed.
6. The board will be displayed in the New Bohemia neighborhood from May 24 through September 13, 2008. During that time, the 2x2xU Committee will not be responsible in any way for any damage or theft that may occur to the board.
7. The New Bohemia Group and/or Legion Arts may use images of my board on their web sites, promotional materials, etc. without any notification or approval by me.
8. Participants' boards will be available to be picked up at CSPS for two weeks following September 13. I understand if I do not pick up my board within that time frame, the 2x2xU Committee may dispose of my board in any manner they deem appropriate. I understand I may donate my board to the 2x2xU Committee, who may subsequently sell my board, with any financial proceeds donated to the New Bohemia Group and/or Legion Arts, both of which are 501(c)3 organizations, at the discretion of the 2x2xU Committee.
